The Student Conservation Association seeks qualified applicants to lead, educate, and inspire young adults for the Pennsylvania Outdoor Corps. The corps works with Pennsylvania's Department of Conservation and Natural Resources to conduct land and resource management activities in the State Park and Forest system. Project leaders train, supervise and administer crews of five members, between the ages of 18 and 25, working on a variety of outdoor conservation projects, including trail maintenance, habitat restoration, invasive species removal, facility maintenance, light construction and resource inventory. Leaders coordinate with agency partners to plan and implement projects and work with SCA staff to manage safety, crew performance and logistics in the field. One leader is assigned to each crew.

**QUALIFICATIONS:**
- Experience working with youth or young adults, teaching or environmental education a plus
- Experience with conservation work skills or related skills preferred
- Ability to perform manual, physical labor for up to 8 hours per day, exposed to the elements, and occasionally lift and/or move 40 pounds or more
- Current First Aid and CPR certification required by the start of training
- Must be able to attend Crew Leader training from Feb. 10th to Feb. 20th, 2020
- Must be a minimum of 21 years of age
- Must have ability to legally work in the US
- Must have a valid driver's license for 3+ years and MVR that meets SCA standards
- Must be able to meet SCA's criminal background check standards
