2020 RIPARIAN FOREST BUFFER SUMMIT
MARCH 11 & 12

Blair County Convention Center
1 Convention Center Dr, Altoona, PA

The Pennsylvania Department of Conservation and Natural Resources and Western Pennsylvania Conservancy invite your sponsorship of the 2020 Riparian Forest Buffer Summit, to be held on March 11 and 12, 2020 at the Blair County Convention Center in Altoona, PA.

The Riparian Forest Buffer Summit provides conservation professionals and decision makers with the latest information on forest buffer science, policy, outreach and implementation strategies, funding options through a series of breakout and plenary sessions. Attendees have ample opportunity to network with each other and with exhibiting sponsors. 2019’s Riparian Forest Buffer Summit was a huge success, attracting over 250 attendees; we need your help to ensure that the 2020 Summit is even better!

Your contribution at any of four levels of sponsorship will add to the quality of the Summit (see page 2 for descriptions) while keeping event attendance affordable for attendees. In recognition of your generous support, your organization will be acknowledged in the conference program, opening and closing remarks, and other publicity materials.

If your organization is interested in supporting the Summit, please see pages 2-4 for details about sponsorship levels and registration. Please feel free to email Katie Zawrotniak at kazawrotniak@paconserve.org with any questions.

Full conference details are available online: https://www.dcnr.pa.gov/Conservation/Water/RiparianBuffers/Pages/default.aspx

Thank you for considering contributing as a sponsor of the 2020 Riparian Forest Buffer Summit!
