

CONSERVATION BEGINS HERE

Powered by SCA

Pennsylvania Outdoor Corps – 6-Week Youth Crew

The Pennsylvania Outdoor Corps is a state-wide conservation program created through a partnership between the Student Conservation Association (SCA), the Pennsylvania Department of Conservation and Natural Resources and the Pennsylvania Department of Labor and Industry. The Pennsylvania Outdoor Corps offers paid work experience, job training, and educational opportunities to teens and young adults as they protect and restore public lands and waters. We are currently looking for qualified candidates for our 2019 Youth Crew Leader and Crew Member positions.

General Program Info

- **Crew Details:** 17 crews, each with two leaders and 10 members
- **Dates:** July 1, 2019 to August 9, 2019. Leaders must attend a mandatory Crew Leader training from June 10 to 20, 2019 in Pittsburgh, PA.
- **Hours:** Monday to Friday, 7:30 AM to 3:30 PM, totaling 37.5 hours per week (leaders work 40)
- **Locations:** Allentown, Altoona, Chambersburg, Erie, Greensburg, Harrisburg, Hazleton, Meadville, Philadelphia, Pittsburgh, Reading, Renovo, St Marys, Wilkes-Barre, Wellsboro, Williamsport and York
- **Projects:** Trail building/maintenance, invasive plant management, tree planting, facility maintenance, light construction, and more

Crew Leader Info

Age: 21 and over

Compensation: \$650 per week, employer-sponsored benefits (health, dental, vision, paid holidays and time off), career-development days

Description: Crew leaders train and supervise members, coordinate conservation projects and education days with agency partners and complete administrative tasks. Experience with conservation work (trail building, habitat restoration, landscaping, carpentry, etc) is preferred. Experience leading youth/young adults is a plus.

Crew Member Info

Age: 15-18

Compensation: \$12.00/hour, career-development days

Description: Members work as a team to complete physically challenging conservation projects in the outdoors. Interest in conservation or natural resource management is required. Members will participate in local education field trips to learn more about conservation and green careers.
