LEAVE NO TRACE

1. Plan ahead and prepare
   • Find out about the park you’re visiting before you arrive.
   • Plan for a safe trip, but be ready for anything.

2. Travel and camp on durable surfaces
   • Use existing paths to travel between campsites, picnic areas, shelters, houseboats, etc.
   • Park only in designated areas and obey all traffic regulations.

3. Dispose of waste properly
   • Do not leave food, trash, or other waste.
   • Place trash in dumpsters, not laundry areas.
   • Bring trash bags.

4. Leave what you find
   • Observe, but do not touch, cultural or historic structures and artifacts.
   • Leave picnic tables where you find them.
   • Avoid introducing non-native plant species. Leave wildlife in place for everyone to enjoy.

5. Minimize campfire impacts
   • Use a gas-fueled stove for cooking, it’s easier to cook on and clean up afterwards.
   • Build fires only in designated campfire rings or grills.
   • Extinguish all fires and charcoal completely before leaving a campsite.

6. Respect Wildlife
   • DO NOT approach wild animals; observe from a distance.
   • Never feed wild animals, including ducks and geese.
   • Keep wildlife wild by allowing them to forage for food on their own.
   • Store food and trash securely.

7. Be considerate of other visitors
   • Keep noise down when in the park.
   • Avoid introducing/transporting non-native plant species.
   • Be considerate when using trails, yield to other hikers.
   • Always leave the area cleaner than when you found it.
