3. **MODERN CAMPGROUND:** The 172 modern sites and trailer campers have access to flush facilities, washer-dryer, and a playground. E-Mail camps are open from the second Friday in April to mid-October. A & B, B, C, and D are open from Memorial Day through Labor Day weekend. The modern campground offers a selection of shade trees, a playground, fire ring, and washer-dryer facilities.

4. **RECREATIONAL OPPORTUNITIES:** Trout fishing is available in the Raccoon Creek area, including in the vicinity of the Pennsylvania State Waterway. Trout fishing is allowed on any stream in the park, but no more than 10 fish can be kept per day. The trout season runs from April 1 to November 30, and fish must be released in the same stream in which they were caught. E-Mail camps are open from Memorial Day through Labor Day weekend. The modern campground offers a selection of shade trees, a playground, fire ring, and washer-dryer facilities.

HIKING ONLY TRAILS

The Raccoon Creek State Park offers a variety of hiking trails for visitors of all abilities. Whether you’re looking for a short, easy walk or a more challenging adventure, there’s a trail that’s perfect for you. Here are some highlights of the hiking trails available in the park:

Appalachian Trail: 3 miles, yellow blazes, more difficult hiking
- This trail is marked with yellow blazes and is considered more difficult than the others. It follows the Appalachian Trail for some distance and offers stunning views of the surrounding landscape.

Backcountry Trail: 1 mile, yellow blazes, more difficult hiking
- This trail is located off the main park road and is marked with yellow blazes. It’s considered more difficult than the others due to its elevated terrain and steep sections.

Hiking in the park is a great way to enjoy the natural beauty of the area and get some exercise. The trails are well-marked and offer a variety of distances and difficulty levels. Whether you’re a seasoned hiker or a beginner, there’s a trail that’s perfect for you. Make sure to wear comfortable shoes and dress appropriately for the weather, and always carry plenty of water and snacks.

MULTI-USE TRAILS

The park also offers multi-use trails for a variety of activities, including equestrian riding, mountain biking, and even kayaking. These trails are marked with blue symbols and are designed to accommodate a variety of users.

ENVIRONMENTAL EDUCATION AND INTERPRETATION

The park offers a variety of educational programs and activities for visitors of all ages. From guided nature walks to hands-on workshops, there’s something for everyone. Whether you’re a nature lover or just looking to learn more about the park’s history and culture, there’s a program that’s right for you.

DOAK FIELD

Doak Field is a 170-acre tract of land that was donated to the park in 1970 by Millard Doak in honor of his late wife, Myra. The field is covered with trees and is a popular spot for bird watching and nature hikes.

WILDLIFE WATCHING

The park is home to a variety of wildlife, including deer, squirrels, and numerous bird species. Visitors can often see deer grazing along the trail or birds perching in the trees. The park is also home to several species of fish, including trout and bass.

Many opportunities exist at Raccoon Creek State Park for a variety of outdoor activities. Whether you’re looking to go for a hike, take a nature walk, or simply relax and enjoy the beauty of nature, there’s something for everyone at the park. Make sure to check out the park’s website for more information on events and activities, and to learn more about the park’s history and resources.

1816.5, 2.1 miles, orange blazes, moderate hiking
- This trail is marked with orange blazes and is considered moderate in difficulty. It follows the beach along the coast and offers stunning views of the ocean.

Beach Trail: 0.3 mile, orange blazes, moderate hiking
- This trail is located near the beach and is marked with orange blazes. It’s a great place to take a break from hiking and enjoy the ocean views.
