Kentuck Campground has modern campsites (electric, non-electric, multi-site, tent-only, walk-to, and pet-friendly), camping cottages, and yurts. ADA accessible campsites and lodging are available for people with disabilities.

Protect and Preserve Our Parks

Please make your visit safe and enjoyable. Obey all posted rules and regulations and respect fellow visitors and the resources of the park.

• Be prepared and bring the proper equipment. Natural areas may possess hazards. Your personal safety and that of your family are your responsibility.

• Please camp only in designated areas and minimize your impact on the campsite.

• Prevent wild fires. Fires are only permitted in fire rings or grills. Gas and propane camp stoves are permitted. Fires must be attended at all times and extinguished before leaving a campsite. Properly dispose of hot coals.

• Firewood is not provided. Cutting live or standing trees and the operation of chainsaws are prohibited.

• Firewood Advisory: Firewood may contain non-native insects and plant diseases. Bringing firewood into the park from other areas may accidentally spread pest insects and diseases that threaten park resources and the health of our forests. Use local firewood. Do not take wood home and do not leave firewood. Burn It!

• Handwashing and dishwashing are permitted only where appropriate facilities are available. Washing is prohibited at water spigots, hand pumps, springs, lakes, and streams.

• Because uncontrolled pets may chase wildlife or frighten visitors, pets must be physically controlled, attended at all times, and on a leash, caged, or crated. Electronic fences and leashes are prohibited.

• Do your part to keep wildlife wild! Enjoy wildlife from a safe distance and do not feed or approach wild animals. Human food is unhealthy for animals and animals dependent on human food can lead to dangerous human-animal encounters.

• Please recycle. Place trash accumulated during your stay in proper receptacles or take it home with you.
