SKIING: up to 26 huts per week
The ski area at Lake Arthur is just 150 feet above sea level, but has a very similar climate and seasonal changes. The ski area is open from early December to late March, with a maximum of 150 skiers on the slopes at any given time. The ski area is accessible to both beginners and intermediates, with a range of trails suitable for all skill levels.

SNORKELING: 1 hour, 15 minutes, 00 seconds
Snorkeling is a popular activity at Lake Arthur, especially in the summer months. The water is clear, and there are many fish and other marine life that can be seen. The snorkeling area is located near the boat launch, and is accessible to both adults and children. Snorkeling equipment is available for rent at the park office.

HUMAN HISTORY
The former Pennsylvania Department of Forestry and Mineral Industries has helped to restore and preserve the park. The park offers a variety of trail systems, including hiking, biking, and horseback riding. The trails are well-marked and lead to various points of interest throughout the park.

LAKE ARTHUR WILDLIFE
The lake attracts a variety of wildlife, including ducks, geese, swans, and other waterfowl. The lake is also home to a variety of fish, including largemouth bass, smallmouth bass, and walleye. The lake is a popular spot for fishing, and fishing permits are available at the park office.

CAMPING: 24 huts per week
Camping is another popular activity at Lake Arthur, with a maximum of 60 huts on the lake at any given time. The huts are available for rent, and include a tent, a sleeping bag, and a sleeping pad. The huts are located on the shore of the lake, and are accessible to both beginners and experienced campers. The huts are equipped with a cooking area, a sleeping area, and a storage area for gear. The huts are also available for rent during the winter months, with a maximum of 2 huts per week.

GLACIAL LANDFORMS
During the last ice age, the lake was covered by ice, and the land around the lake was covered by a glacier. As the ice melted, the lake filled with water, and the land around the lake was left with a depression, or a basin, that is now Lake Arthur.

LAKE ARTHUR BOAT LAKES
Lake Arthur has two boat launching areas: McDaniel's Boat Launch and Watts Bay Marina. The boat areas are open year-round, and are open from 9:00 AM to 5:00 PM. The boat areas are located near the beach, and are accessible to both adults and children. The boat areas are equipped with a boat ramp, a boat rental, and a boat storage area. The boat areas are also available for rent during the winter months, with a maximum of 2 huts per week.

WATERSHED HABITAT
Lake Arthur is part of the watershed of the Allegheny River, and is connected to the Allegheny River and the Ohio River. The lake is a popular spot for fishing, and fishing permits are available at the park office. The lake is also home to a variety of fish, including largemouth bass, smallmouth bass, and walleye. The lake is a popular spot for fishing, and fishing permits are available at the park office.

Glacier Ridge Trail: 3.8 miles, most difficult hiking, blue blazes
Designated as part of the North Country National Scenic Trail, this trail extends 14 miles from the north end of Moraine State Park to Jennings Environmental Education Center. The trail winds through forests, crosses streams, and offers vies of Lake Arthur. Glacier Ridge Trail can be accessed at R9, 526, Mount Union Road (DE 1099). the bike rental building, and McDanels Launch Area. The links, Road Overnight Shelters are available to backpackers by reservation only. Contact the park office for backpacking information.

Hilltop Trail: 2 loops, more difficult hiking, yellow blazes
This trail passes the different stages of forest regeneration, six-rotating field boxes, and the remains of a springhouse. Hikers can choose a 1.5-mile short loop or a 3-mile long loop. The trail includes flat open areas and gradual slopes that lead to fields high above the highway and lake. Access Hilltop Trail near the entrance of Bear Run Boat Launch.

Five Points Trail: 1.3 miles, easiest hiking, yellow blazes
This loop trail traverses through forests and by a small pond. Access to the trail is near Lakeside Beach and the organized group tenting area.
