Kettle Creek State Park

Camping Rules

CHECK-IN/CHECK-OUT TIME: Check-in time is 3:00 PM. Campsites must be vacated by 3:00 PM.

ALCOHOLIC BEVERAGES: Alcoholic beverages are prohibited in all Pennsylvania state parks.

PETS: Pets are permitted at all campsites in Upper Campground. Pets are prohibited in Lower Campground. Please contact the park office for pet guidelines. Pets are prohibited in swimming areas, buildings, and all overnight facilities not participating in the pet program. Guide dogs and service dogs are not considered pets.

QUIET HOURS: Campers must not disturb the sleep of others between 9:00 PM and 8:00 AM.

NOISE: Operation of electric generators that create excessive noise is prohibited.

MAXIMUM NUMBER OF PEOPLE PER SITE: Site occupancy is limited to one family unit (persons living under one household) or five unrelated people per site.

MOTOR VEHICLES: Park only in designated areas. Only one vehicle is permitted at a campsite in addition to a camping unit. If permitted, additional vehicles can park on the camping spur for a fee or in the second car parking area at no charge.

VISITORS: Visitors are welcome on campsites from 8:00 AM to 10:00 PM.

MAXIMUM CAMPING PERIOD: Campers may stay in a state park campground for up to 14 consecutive nights from Memorial Day to Labor Day. If reserving a Saturday during the summer season, a two-night minimum stay is required. Campers may camp for 21 consecutive nights during the remainder of the year.

HUNTING: Use extreme caution with firearms at all times. Other visitors use the park during hunting seasons. Firearms and archery equipment used for hunting may be uncased and ready for use only in authorized hunting areas during hunting seasons. In areas not open to hunting or during non-hunting seasons, firearms and archery equipment shall be kept in the owner’s vehicle or enclosed trailer. Exceptions include: law enforcement officers and individuals with a valid Pennsylvania License to Carry Firearms are authorized to carry a firearm concealed on their person while they are within a state park.

Protect and Preserve Our Parks

Please make your visit safe and enjoyable. Obey all posted rules and regulations and respect fellow visitors and the resources of the park.

• Be prepared and bring the proper equipment. Natural areas may possess hazards. Your personal safety and that of your family are your responsibility.

• Please camp only in designated areas and minimize your impact on the campsite.

• Prevent wild fires. Fires are only permitted in fire rings or grills. Gas and propane camp stoves are permitted. Fires must be attended at all times and extinguished before leaving a campsite. Properly dispose of hot coals.

• Firewood is not provided. Cutting live or standing trees and the operation of chainsaws are prohibited.

• Firewood Advisory: Firewood may contain non-native insects and plant diseases. Bringing firewood into the park from other areas may accidentally spread pest insects and diseases that threaten park resources and the health of our forests. Use local firewood. Do not take wood home and do not leave firewood. Burn It!

• Handwashing and dishwashing are permitted only where appropriate facilities are available. Washing is prohibited at water spigots, hand pumps, springs, lakes, and streams.

• Because uncontrolled pets may chase wildlife or frighten visitors, pets must be physically controlled, attended at all times, and on a leash, caged, or crated. Electronic fences and leashes are prohibited.

• Do your part to keep wildlife wild! Enjoy wildlife from a safe distance and do not feed or approach wild animals. Human food is unhealthy for animals and animals dependent on human food can lead to dangerous human-animal encounters.

• Please recycle. Place trash accumulated during your stay in proper receptacles or take it home with you.
