In areas not open to hunting or during non-hunting seasons, firearms and archery equipment shall be kept in the owner's vehicle or enclosed trailer. Exceptions include: law enforcement officers and individuals with a valid Pennsylvania License to Carry Firearms are authorized to carry a firearm concealed on their person while they are within a state park.

Feeding wildlife is prohibited. When animals become dependent on humans for food, this brings animals and humans into close contact which can lead to potentially dangerous situations. Human food is often of little nutritional value to animals and can make animals sick and unhealthy.

Colton Point State Park
Leonard Harrison and Colton Point state parks are on opposite sides of the Pine Creek Gorge, called the Grand Canyon of Pennsylvania. Many scenic vistas offer spectacular views into the 800-foot deep, glacially carved canyon. The scenery at these parks is superb in every season of the year and is especially stunning in late September through mid-October.

On the west rim of the canyon, the 368-acre Colton Point State Park resonates with the rustic charm of the Civilian Conservation Corps era of the 1930s. The rugged overlooks offer great views of the canyon.

The rustic campground offers vault toilets, tables, fire rings, and a sanitary dump station.
