**2017 Swimming Pool Policies & Information**

Rev 05/2017
Pool Rules

A complete listing of park rules and regulations can be obtained at the park office or on kiosks throughout the park.

- Coolers, beverages, and food are **prohibited** in this facility unless they are purchased and consumed at the concession stand patio.
- Pets are not permitted in the pool area.
- Pool patrons must wear appropriate bathing suits in the pool per **STATE CODE 320.106** — SWIMMING ATTIRE. No street clothes or cutoffs allowed. No exceptions are made.
- Parents and counselors are required to adequately monitor their family or group. Children 10 years of age and younger must be supervised by a responsible person 14 years of age or older. No person shall supervise more than 5 children. Any group that does not comply may be asked to leave and no refund will be given.
- Prolonged breath holding is prohibited—it can cause unexpected death!
- No running is permitted inside the pool area. Children may be put in “time out” or asked to leave if they have been told repeatedly not to run.
- Diving is prohibited in any area of the pool, meaning headfirst entry into the water will not be permitted.
- Smoking of any kind (including but not limited to: cigarettes, pipes, cigars, e-cigarettes, vaporizers/veape devices, and other handheld lighted smoking devices) is prohibited inside the pool complex/fenced area. Smoking is only permitted outside the complex gates and a cigarette butt disposal bin is available near the pool entrance.
- No profanity or obscene/offensive language will be tolerated.
- No LOUD music.

**Lifeguards MUST be obeyed at all times!**

These rules and regulations are designed to ensure the safety of all patrons of this facility.

**Hand Stamping**

Nockamixon State Park Swimming Pool frequently receives more than 1,000 visitors a day. In order to make it possible for people to leave and re-enter the pool area easily, we use a hand stamp system.

The stamp is available at the exit window as you leave. Make sure you **ASK** for a stamp if you wish to re-enter the pool area. The stamp is NOT waterproof, and it is NOT permanent. You are responsible for maintaining your stamp. If the stamp begins to wear off or fade, please get re-stamped.

**Admission may be refused if:**

- You do not have a visible hand stamp.
- You have transferred your hand stamp onto someone else, or you have received a transferred hand stamp.
- You have been asked to leave by the lifeguards or park staff.
- You are under the age of 10, and do not have a responsible adult with you. The gate staff does try to stop all unaccompanied children, however we are not always successful. Please accompany your children through the gate to prevent them from becoming stuck inside or outside the pool gate.
- You are bringing in food or drink other than water or baby formula.
- You have a pet. Pets are not permitted in the pool area for sanitary reasons.
- The pool reaches capacity. Once capacity is reached, only people with valid hand stamps will be admitted. Pool staff may begin admitting new visitors as others leave.

**Inclement Weather**

Generally, the pool remains open during all inclement weather EXCEPT thunderstorms. At the first sign of a thunderstorm (lightning or thunder), the lifeguards will immediately clear the pool and the pool area of users.

The pool will reopen 30 minutes after ALL visible and audible signs of the storm have passed.

Visitors should seek shelter during inclement weather and will need a hand stamp to re-enter the pool area.

Only guests with hand stamps may come into the pool area during this closure. No new admission will be sold until the pool is reopened.

**IF THE POOL CLOSES FOR ANY REASON, REFUNDS WILL NOT BE ISSUED!**
