STATE FOREST AND STATE PARK SNOWMOBILE TRAILS

The山东 State Forest and State Park Snowmobile Trails offer a variety of scenic routes for snowmobile enthusiasts. These trails are maintained by the Department of Conservation and Natural Resources to provide a safe and enjoyable experience for all users.

1. Snowmobiles are to be towed on the rear of trailers and specifically designated for such use.
2. The existing rules and regulations governing the conduct of the public on state recreation areas and state forest lands apply, including speed limits of 25 mph on all trails, joint-use roads and main roads open to the public.
3. The Department of Conservation and Natural Resources’ local district forester and park manager will regulate trail use.
4. Operation of a snowmobile on a sidewalk, walkway or pedestrian crossing is prohibited.
5. Snowmobiles are to be towed on the owner’s own property. The operator is required to carry proof of liability insurance.
6. Snowmobiles are to be towed on the owner’s own property. The operator is required to carry proof of liability insurance.
7. Snowmobiles are to be towed on the owner’s own property. The operator is required to carry proof of liability insurance.
8. Snowmobiles are to be towed on the owner’s own property. The operator is required to carry proof of liability insurance.
9. Snowmobiles are to be towed on the owner’s own property. The operator is required to carry proof of liability insurance.
10. Snowmobiles are to be towed on the owner’s own property. The operator is required to carry proof of liability insurance.

Registration Decals

The snowmobile permanent registration number consisting of one capital letter and four numerals is to be shown in white letters on blue background. If the snowmobile is operated on the owner’s own property, the registration number is to be shown on the snowmobile itself.

Validation Decals

The validation decals issued with your registration certificate are to be placed on your snowmobile. The validation decals are to be placed in the following locations:

1. To the left and right of the registration number on the snowmobile.
2. To the left and right of the validation decals on the snowmobile.
3. The validation decals are to be placed on the right side of the snowmobile when operated on the owner’s own property.

Insurance

All snowmobiles are required to be covered by liability insurance policy when operating anywhere except on the owner’s own property.

Validation Decals

The validation decals issued with your registration certificate are to be placed on your snowmobile. The validation decals are to be placed in the following locations:

1. The validation decals are to be placed on the right side of the snowmobile when operated on the owner’s own property.
2. The validation decals are to be placed on the left side of the snowmobile when operated on the owner’s own property.
3. The validation decals are to be placed on the right side of the snowmobile when operated on the owner’s own property.
4. The validation decals are to be placed on the left side of the snowmobile when operated on the owner’s own property.

Registration Decals
