2019 RIPARIAN FOREST BUFFER SUMMIT
February 20 & 21

Best Western Premier
The Central Hotel & Conference Center
800 East Park Drive, Harrisburg, PA

The Pennsylvania Department of Conservation and Natural Resources and Western Pennsylvania Conservancy invite you to sponsor the 2019 Riparian Forest Buffer Summit, to be held on February 20 and 21, 2019 at the Best Western Premier Conference Center in Harrisburg, PA.

The Summit provides conservation professionals and decision makers with the latest information on forest buffer science, policy, outreach and implementation strategies, and funding options through a series of breakout and plenary sessions. Attendees also have substantial opportunities to network with each other and with exhibiting sponsors throughout the two-day event. Last year’s Riparian Forest Buffer Summit was a huge success, attracting over 250 attendees; we need your help to ensure that the 2019 Summit is even better!

Your contribution at any of six levels of sponsorship (see page 2 for descriptions) will add to the Summit’s quality while keeping event attendance affordable. In recognition of your generous support, your organization will be acknowledged in the conference program, opening and closing remarks, and other publicity materials.

If your organization is interested in supporting the Summit, please see pages 2-4 for details about sponsorship levels and registration. Please feel free to email Kelly Horrell at khorrell@paconserve.org with any questions.

Thank you for considering sponsorship of the 2019 Riparian Forest Buffer Summit!
